

Technical Bulletin

Pelican™ 7100 USB-C GEN 2

We are proud to introduce the next-generation 7100 Tactical Flashlight, engineered to deliver meaningful performance enhancements across key metrics. The new 7100 provides increased lumen output for brighter, more reliable illumination, along with up to 20% longer runtime compared to the previous generation.

GEN 1				GEN 2			
7100 part # 071000-0000-110				7100 NEW part # 071000-0001-110
